MEMORANDUM FOR: See Distribution

25X1 FROM:
Program and Budget Staff

SUBJECT: FY 1985 CBJB Congressionally Directed Actions

1. Attached is a worksheet of NFIP congressionally directed actions as contained in the FY 1984 HPSCI, SSCI, authorization conference and HAC reports. As similar reports are issued from the SAC and appropriation conferences, this worksheet will be updated accordingly.

2. If a response has been sent to Congress by the time the CBJBs are printed, it is usually not necessary (unless specifically directed to include it in the CBJB) to reprint the answer in the book. In that case the congressionally directed action should be noted as part of that tab with a statement detailing the date and manner in which the action was completed.

3. Please review this listing for completeness and advise me by 28 November of any changes.
